

SWATHI M K

FRONTEND DEVELOPER

☎ 7358956267 ✉ mkswathi6@gmail.com 📍 Coimbatore , Tamilnadu 🔗 LinkedIn 🐙 GitHub

PROFESSIONAL SUMMARY

Motivated Information Technology graduate (2026) with expertise in JavaScript and frontend web development. Experienced in building responsive web applications, and creating intuitive user interfaces. Seeking a Frontend Engineering Intern opportunity to contribute to scalable, high-quality web applications while continuously learning and growing.

TECHNICAL SKILL

- HTML5 / CSS /Bootstrap
- Javascript, React, C, Java, SQL
- GIT / Github

SOFT SKILLS

- Team Work
- Communication
- Adaptability
- Problem Solving

PROJECT EXPERIENCE

GLOW PEARL – SKINCARE WEBSITE (USING HTML, CSS, BOOTSTRAP)

- Developed a responsive Beauty and Skincare e-commerce website with a structured navigation bar, hero section, product categories, and visually organized product sections.
- Implemented Bootstrap-based responsive layouts, styling, spacing, and reusable components to maintain a consistent design across desktop, tablet, and mobile devices.
- Designed an attractive and user-friendly interface with organized skincare product sections and clear navigation to improve the overall browsing experience.

LUMANEST — FURNITURE WEBSITE (USING HTML, CSS, JAVASCRIPT)

- Developed a responsive furniture e-commerce website, LumaNest, featuring organized product categories, product displays, navigation, and user-friendly shopping sections.
- Built reusable React components and implemented JavaScript functionality to create interactive and dynamic web pages.
- Designed responsive layouts using HTML and CSS to provide a consistent and visually appealing browsing experience across desktop and mobile devices.

TRENDORA — FASHION WEBSITE (USING HTML, CSS, JAVASCRIPT, REACT, REDUX)

- Developed a responsive fashion e-commerce website for men, women, and kids, featuring organized clothing categories, product displays, wishlist, and shopping cart functionality.
- Built reusable React components and used Redux for state management, creating an interactive and user-friendly shopping experience with responsive navigation.
